This image of Tanguru a Muaūpoko Rangatira was taken from the one shilling coin, showing Tanguru kneeling down with his taiaha. The name of his taiaha is Mahera Paki Tanguru-o-te Rangī.

TANGURU

HE MAMAE AROHA

Tangi atu rā ngā tini aitua, koutou kua riro ki tua o Paerau e ngau kino nei e te mamae. Taku aroha noa i te murau o te tini, te wenerau o te mano. Moe mai i roto i ngā ringaringa o te Ariki, oti atu e.

E ngā mana, e ngā reo, e ngā kanohi ora o Muaūpoko koutou hoki ngā mātāwaka e takahi nei i te whenua hei tutuki i ngā wawata o rātou mā.

Mauriora ki a tātou katoa!

Tēnā koutou e te whānau

It's great to be home among my whānau, hapū and iwi. Taking in the essence of my pepeha is my time to reflect and give thanks to all my Tupuna who have paved the way for me to be here. My learning over the years involves all the

time spent at the marae and taking in knowledge from kōrero of my whānau. I have retained this knowledge and will use it to enhance my work as the Hapū Coordinator for Muaūpoko Tribal Authority.

I have been given the task of working with hapū of Muaūpoko to develop and strengthen their collective for a sustainable future. Muaūpoko Tribal Authority have an Engagement and Communications Initiative aimed at influencing hapū to engage and communicate effectively at iwi level and for hapū to do the same within their collective. I think this is a process that will encourage whanau to build their confidence in managing their affairs.

Empowering the people of the iwi to do what is best for their whānau is what I am passionate about. This will be a time for whānau to dream, reflect and leave a legacy for future generations to be proud of. I know the whānau have the ability to develop and implement what is important to them and I wish you all well for this journey.

Mauri ora e te iwi o Muaūpoko!

Rangatahi Sausage Sizzle

The Muaupoko Tribal Authority held a free sausage sizzle on the 16th of July at the Village Green (Levin Skate Park) for our local rangatahi. The day was about getting into the community to support our whanau and rangatahi during the school holidays. It was a very successful day with 150 sausages feeding whanau that passed the stall.

The Muaupoko Tribal Authority would like to say a special thank you to Mr Eric Clarke for donating the sausages for the day, New World Levin for donating the bread and serviettes, and the Taylor whanau for the use of their BBQ. Without their very kind donations the day wouldn't have been such a huge success.

Celebrate your health!!

According to Muaupoko korero, Puhiariki gave the first breath. Puhiariki was the first female flesh formed from earth, from Papa, sacred red clay. This is the reason the name has been used to promote the importance of Breast & Cervical screening.
