

Mental Health and Ageing Survey

WELLINGTON

Do you want to help improve future mental health services?

Are you?

- ✓ Aged over 55 years
- ✓ Currently using mental health services
- ✓ Able to give 30 - 40 minutes of your time to complete a survey

If this describes you, the EleMent research team from the University of Otago invites you to participate in this important study

Results will help to understand the changing needs of people who use mental health services as they grow older.

What does it involve?

Participants will be required to complete a survey. This can be either a printed copy or an online version – whichever suits you best.

The study is anonymous and should take no more than 30 - 40 minutes.

How do you get in touch?

Please email or phone us to request a printed survey or visit our website for the online survey.
